Planning Agreement

This is an advisory agreement between Sam Gott, Certified Financial Planner (Adviser) and
(Official account name) (“Client”)

By this agreement, Client retains Adviser to provide Financial Planning Services (“Planning”) to Client on the following terms:

Selection of Service(s)

Please select each service by checking the appropriate box(es), below. If no boxes are selected, Adviser will not be able to provide any services under this agreement:

- COMPREHENSIVE FINANCIAL PLANNING SERVICES
- Annual review and update(12 month anniversary date of delivery of plan)
- ESTATE PLANNING SERVICE
- Annual review and update(12 month anniversary date of delivery of plan)
- CONSULTING SERVICES(outside of Financial or Estate Planning)

Comprehensive Financial Planning Services:

Client has retained Adviser to prepare a written, comprehensive Financial Plan based on the Client’s individual needs and circumstances. The Client authorizes Adviser to enter into such agreements (with third parties) and make such representations as may be necessary or proper in connection with the performance of its duties under this agreement. Because the Financial Plan will be based on the information that the Client provides to Adviser, the completeness and accuracy of the information provided in the Client Questionnaire (which is separate from this agreement) is very important. Once the Client has received the written Financial Plan, the Client will have the sole responsibility for determining whether to implement the recommendations of that plan.

If selected above, Client may choose to have Adviser review and update the Financial Plan annually (or more frequently) to adjust it for changes in the Client’s financial situation or investment objectives. At that time, the Client will need to update the Client Questionnaire.

A Financial Plan will generally address the following areas of financial concern to Client:

- Personal: Family records, budgeting, personal liability, estate information and financial goals.
- Tax and Cash Flow Analysis: Income tax and spending analysis and planning for past, current and future years. Adviser will illustrate the impact of various investments on the client’s current income tax and future tax liability.
- Death and Disability: Cash needs at death, income needs of surviving dependents, estate planning and disability income analysis.

Retirement : Analysis of current strategies and investment plans to help the Client achieve his or her retirement goals.

Investments : Analysis of investment alternatives and their effect on Client's portfolio.

Estate Planning Services

A plan to conserve assets against taxes, inflation, and unanticipated expenses while determining who will receive assets after death.

Consulting Services

Client can also receive Adviser's investment advice on a more limited basis. This may include advice on an isolated area of concern such as an estate planning, retirement planning question or any other specific topic outside of a comprehensive plan. Adviser will provide consultation and administrative services regarding investment and financial concerns of Client.

FEES FOR PLANNING SERVICES

Financial and Estate Planning:

Fees for Financial or Estate Planning are based upon the net worth of Client. The current fee schedule is as follows:

Client Net Worth	Planning Fee
\$1 to \$1,000,000	\$750
\$1,000,000 to \$3,000,000	\$1,500
over \$3,000,000	The fee is negotiable

One-half of this fixed fee, up to the amount of \$500 will be due upon signing this advisory agreement, with the balance due upon presentation of the plan to Client. Typically, the plan will be provided to the Client within 90 days of the contract date, provided that all necessary information needed to prepare the plan has been promptly provided to Adviser by Client.

Consulting Services

Fees for consulting services will be billed on an hourly basis, ranging from \$125 to \$175 per hour, depending on the nature and complexity of each client's circumstances. An estimate of total hours will be determined at the start of the consulting relationship. 50% of the estimated fee, up to the amount of \$500 will be due upon signing this agreement, with the balance due (based on actual hours) upon the recommendation to the Client. Not all-consulting services will result in written recommendations. Most consulting services provided by Adviser to Client will be provided verbally.

All fees under this agreement may be negotiable.
